Credits: 4	Lecture (L):3 Tutorial (T):1 Practical (P):0 Experiential Learning (EL): 0	THEORY: 100 Marks
Prerequisite Courses, if any: Nil		
Course Objectives: <ul style="list-style-type: none">• Understand the historical evolution of individual rights recognition within national legal systems, tracing back to ancient times.• Analyze the limitations of national legal frameworks in addressing transnational breaches and violations of human rights.• Explore the catalysts and contextual factors that prompted the inclusion of individual rights within the realm of international law during the early 20th century.• Examine the foundational documents and milestones, such as the adoption of the United Nations Charter in 1945, which formalized the concept of human rights at the international level.• Evaluate the significance and implications of incorporating human rights principles into international legal frameworks for both states and individuals.		
Course Outcomes: On completion of the course, learner will be able to: CO1: To enable students to understand the concept, meaning, evolution and philosophical foundations of human rights, including the relationship between rights and duties. CO2: To familiarize students with the international human rights framework, particularly the International Bill of Human Rights, and the development of first, second and third generation human rights. CO3: To develop critical understanding of human rights issues relating to vulnerable and marginalized groups, including women, children, refugees, migrant workers, prisoners, LGBTQ persons and other disadvantaged sections of society. CO4: To impart knowledge of human rights protection mechanisms in India, with special emphasis on the Protection of Human Rights Act, 1993, constitutional bodies, statutory commissions and the role of judiciary in enforcement of human rights. CO5: To analyze the role of non-state actors such as media, NGOs, civil society and corporate entities in the promotion, protection and enforcement of human rights in India. CO6: To introduce students to the concept, sources and principles of International Humanitarian Law, including Geneva Conventions and their application in armed conflicts and internal disturbances.		
Course Contents		
Unit I	Concept of Human Rights	(10 Hours)
Meaning and Definition of Human Rights, Evolution and Basis of Human Rights, Types; Implementation, Promotion and protection of Human Right.; Perspectives on Rights and Duties – Relationship between Rights and Duties.		

JSPM UNIVERSITY PUNE

Recognized by the UGC u/s 2 (f) of UGC Act 1956 and enacted by the State Government of Maharashtra - JSPM University Act, 2022 (Mah. IV of 2023)

Unit II	International Aspects of Human Rights	(10 Hours)
International Bill of Human Rights (UDHR, ICCPR, ICESCR) - Nature and significance; Introduction to generation of Human Rights [First, Second and Third].		
Unit III	Vulnerable Groups and Human Rights	(10 Hours)
Human Rights of Women, Human Rights of Child, Human Rights of Refugees and Human Rights of Migrant Workers; Vulnerable Groups - Sex Workers, Domestic Workers, Stateless Persons, Migrant Workers, HIV/AIDS patients, LGBTQ and Prisoners.		
Unit IV	Human Rights Institution in India	(10 Hours)
The Protection of Human Rights Act, 1993 – Object, Nature, Scheme, Definitions, Landmark cases; Constitution, Powers and Functions of - a) National Human Rights Commission b) National Commission for Women c) National Commission for Protection of Child Rights d) National Commissions for Scheduled Castes, Scheduled Tribes, e) Minorities and other disadvantaged groups f) Role of Judiciary in Enforcement of Human Rights		
Unit V	Other Human Rights Institution in India	(10 Hours)
Media & NGOs in the protection of Human Rights in India, Civil Society and Human Rights, Corporate Responsibility and Human Rights		
Unit VI	Humanitarian Law	(10 Hours)
Concept and Sources, International Humanitarian Law (IHL) and Human Rights, Sources of International Humanitarian Law, Geneva Conventions, 1949, Fundamental Principles of IHL, Implementation and Enforcement of Humanitarian Law, Application of Humanitarian Law in India

JSPM University Pune LL.B.(Hons) Semester- I

Course Type: PEC	Course Title: Civil Minor Act	
Course Code: 241ULBB06_01	Teaching Scheme: (Hrs./Week)	Examination Scheme:
Credits: 4	Lecture (L):3 Tutorial (T):1 Practical (P):0 Experiential Learning (EL): 0	Theory (TH): 100 Marks

Prerequisite Courses, if any: Nil

Course Objectives:

- Introduce students to essential legal concepts and practices in civil law.
- Familiarize students with the principles governing interests, civil courts, and valuation of suits.
- Provide students with a comprehensive understanding of court fees, registration requirements, stamp duties, and negotiable instruments.
- Equip students with practical knowledge relevant to civil practice and legal proceedings.

Course Outcomes: On completion of the course, learner will be able to

- CO1:** To introduce students to the basic principles of civil law and civil practice, including the role and responsibilities of civil practitioners in legal proceedings.
- CO2:** To enable students to understand the law relating to interest in civil matters, with special reference to the Interest Act, 1978, its objectives, scope and application.
- CO3:** To familiarize students with the structure, jurisdiction and functioning of civil courts in India, particularly under the Maharashtra Civil Courts Act, 1869, and procedures for institution and valuation of civil suits.
- CO4:** To impart practical knowledge of court fee laws, focusing on the Maharashtra Court Fees Act, 1959, and its impact on access to justice and litigation costs.
- CO5:** To develop an understanding of the law relating to registration of documents and stamp duties, emphasizing compliance requirements under the Registration Act, 1908 and the Maharashtra Stamp Act, 1958.
- CO6:** To acquaint students with the concept and legal framework of negotiable instruments, including the rights, liabilities and obligations of parties under the Negotiable Instruments Act, 1881.

Course Contents

Unit I	Introduction to Civil Practice	(10 Hours)
Overview of civil law principles and procedures, Role of civil practitioners in legal proceedings.		
Unit II	Law of Interest	(10 Hours)
The Interest Act, 1978: Object, application and definitions under the Act, Definition and types of interest, Legal principles governing interest in civil matters		
Unit III	Civil Courts in India	(10 Hours)
The Maharashtra Civil Courts Act, 1869 : Object, application and definitions under the Act, Structure and jurisdiction of civil courts, Procedures for initiating civil actions, Methods for		

JSPM UNIVERSITY PUNE

Recognized by the UGC u/s 2 (f) of UGC Act 1956 and enacted by the State Government of Maharashtra - JSPM University Act, 2022 (Mah. IV of 2023)

determining the value of claims in civil suits, Importance of accurate valuation in legal proceedings.		
Unit IV	Court Fees	(10 Hours)
The Maharashtra Court Fees Act, 1959: Object, application and definitions under the Act, Understanding court fee structures and regulations, Implications of court fees on litigation costs		
Unit V	Registration of Documents and Stamp Duties	(10 Hours)
The Registration Act, 1908: Object, application and definitions under the Act, Legal requirements and procedures for registering various types of documents, Consequences of non-registration and benefits of registration. The Maharashtra Stamp Act, 1958: Object, application and definitions under the Act, Overview of stamp duty laws and regulations, Applicability of stamp duties to legal documents and transactions.		
Unit VI	Negotiable Instruments	(10 Hours)
The Negotiable Instruments Act, 1881: Object, application and definitions under the Act, Introduction to negotiable instruments and their legal characteristics, Rights and obligations of parties involved in negotiable instrument transactions.

JSPM University Pune L.L.B (Hons) Semester I		
Course Type: DSH	Course Title: Media Law	
Course Code: 241ULBB07_01	Teaching Scheme: (Hrs./Week)	Examination Scheme:
Credits: 4	Lecture (L): 3 Tutorial (T): 1 Practical (P): 0 Experiential Learning (EL): 0	Theory (TH): 100 Marks
Prerequisite Courses, if any: Nil		
Course Objectives: <ul style="list-style-type: none">• To investigate the historical background, status, and future directions of media rights as defined by laws and court decisions.• To highlight the media's crucial role in exercising the fundamental right to freedom of speech and expression, thereby enhancing democratic participation in India.• To emphasize the importance of media freedom within India's participatory democracy, recognizing it as the 'fourth estate.'• To elucidate the legal and constitutional mechanisms protecting media freedom and independence, including legislative safeguards and judicial interventions.• To critically analyze the changing landscape of media regulation and its impact on journalistic freedoms and responsibilities in India.		
Course Outcomes:		
CO1: To introduce students to the concept, evolution and significance of media, including the historical development of media laws, theories of media and regulation of print media.		
CO2: To enable students to understand the constitutional framework governing media, with special emphasis on freedom of speech and expression, reasonable restrictions, right to privacy, right to information and public interest litigation.		
CO3: To familiarize students with the relationship between mass media and the legislature, particularly the origin, development and scope of parliamentary privileges in India.		
CO4: To impart critical understanding of the interaction between media and the judiciary, including contempt of court, defamation, privacy issues and the phenomenon of media trials.		
CO5: To analyze the regulatory framework governing media in India, covering both statutory and self-regulatory mechanisms, and major legislations regulating print, electronic and broadcasting media.		
CO6: To acquaint students with the legal and ethical dimensions of advertising and new media, including consumer protection, regulation of internet and social media, and challenges posed by emerging digital platforms.		
Course Contents		
Unit I	Introduction to Media Laws	(10 Hours)
Understanding the concept of Media, Development and History of Media Laws, Importance of Media, Theories of Media, Print Media and Registration.		
Unit II	Media in the Constitutional Framework	(10 Hours)

JSPM UNIVERSITY PUNE

Recognized by the UGC u/s 2 (f) of UGC Act 1956 and enacted by the State Government of Maharashtra - JSPM University Act, 2022 (Mah. IV of 2023)

Freedom of Expression in Indian Constitution and Restrictions, Interpretation of Media freedom and Free expression, Issues of Privacy; Right to Information, Media Personal Privileges, Print Media and Press Law, Public Interest Litigation.		
Unit III	Mass Media and the Legislature	(10 Hours)
Meaning of Parliamentary Privileges-Origin, Development of Parliamentary Privileges, The Position in India.		
Unit IV	Mass Media and the Court	(10 Hours)
The Contempt of court: Under the Constitution, Under the Act of 1971, Mass Media & The Individual, Law of Defamation, Law of Privacy- Media Trial.		
Unit V	Regulatory Framework of Media	(10 Hours)
Methods of Regulation (Self-Regulation and Statutory Regulation), The Cinematograph Act, 1952, The Cable Television Networks (Regulation) Act, 1955, The Prasar Bharti Act, 1990, The Press Council of India Act, 1978, The Telecom Regulatory Authority of India Act, 1997, Advertising Standards Council of India and its codes, The Indecent Representation of Women Act, 1986.

JSPM UNIVERSITY PUNE

Recognized by the UGC u/s 2 (f) of UGC Act 1956 and enacted by the State Government of Maharashtra - JSPM University Act, 2022 (Mah. IV of 2023)

JSPM University Pune LL.B. (Hons) Semester I		
Course Type: DSH	Course Title: Law & Economics	
Course Code: 251ULBB04_01	Teaching Scheme:	Examination Scheme:
Credits: 4	Lecture (L): 3 Tutorial (T): 1 Practical (P): 0 Experiential Learning (EL): 0	Theory (TH): 100 Marks
Prerequisite Courses, if any: Nil		
Course Objectives: <ul style="list-style-type: none"> ● Introduce students to the economic analysis of legal rules and institutions — how legal rules create incentives and affect social welfare. ● Equip students with microeconomic tools (efficiency, externalities, transaction costs) to evaluate private-law fields (property, contract, tort) and public regulation. ● Analyze criminal law, enforcement, and punishment with economic models (deterrence, cost-benefit of enforcement). ● Familiarize students with law-and-economics approaches to regulation, market failures, antitrust and IP economics. ● Build skills in empirical thinking and policy evaluation so students can propose economically-informed legal reforms 		
Course Outcomes: On completion of the course, the learner will be able to: CO1. Explain core economic tools used in legal analysis (efficiency, externalities, transaction costs, incentives). CO2. Apply economic reasoning to property, contract, tort problems and show how legal rules affect behavior and welfare CO3. Critically evaluate the economics of criminal law and enforcement (deterrence, optimal sanctions). CO4. Analyse regulatory interventions (antitrust, IP, environmental regulation) using cost-benefit and market-failure frameworks CO5. Read, interpret and critique law-and-economics scholarship and policy reports (using case studies). CO6. Produce a short policy note or mini empirical exercise recommending a law reform grounded in economic analysis.		
Course Contents		
Unit I	Introduction & Tools	(10 Hours)
What is Law & Economics? History, methodology, positive vs normative approaches. Basic microeconomic tools: utility, incentives, efficiency, Pareto vs Kaldor-Hicks, externalities, public goods, transaction costs.		
Unit II	Property & Resource Allocation	(10 Hours)
Economic theories of property (Coase theorem, allocation of entitlements), rule vs. liability rules, rights design, transaction costs & bargaining, commons and commons-pool problems.		
Unit III	Contract & Transactional Law	(10 Hours)
Efficient breach, expectation vs reliance damages, transaction costs and contractual form, incomplete contracts, remedies and contracting institutions (private ordering, reputation).		

JSPM UNIVERSITY PUNE

Recognized by the UGC u/s 2 (f) of UGC Act 1956 and enacted by the State Government of Maharashtra - JSPM University Act, 2022 (Mah. IV of 2023)

Unit IV	Torts, Liability & Insurance	(10 Hours)
Risk allocation, negligence vs strict liability, liability rules and incentives for precaution, optimal damages, role of insurance, behavioural considerations		
Unit V	Crime, Enforcement & Public Law	(10 Hours)
Economic models of crime (Becker deterrence model), policing and punishment tradeoffs, expected sanctions vs detection probability, cost-benefit of enforcement, plea bargaining incentives.		
Unit VI	Regulation, Antitrust & Intellectual Property	(10 Hours)
Market failure, regulatory remedies, cost-benefit of regulation, antitrust economics (market power, merger analysis), IP as incentive design and diffusion tradeoffs, law reform and empirical evaluation.

LL.B. (Hons)		
Semester I		
Course Type: DSH	Course Title: Women and Criminal Law	
Course Code: 251ULBB05_01	Teaching Scheme:	Examination Scheme:
Credits: 4	Lecture (L): 3 Tutorial (T): 1 Practical (P): 0 Experiential Learning (EL): 0	Theory (TH): 100 Marks
Prerequisite Courses, if any: Nil		
Course Objectives: <ul style="list-style-type: none">• Understand core legal concepts and statutory provisions related to crimes against women, including sexual offences, domestic violence, trafficking, cyber-crimes and procedural safeguards.• Analyze constitutional guarantees, international commitments and national institutions that protect women's rights and promote gender justice within the criminal justice system.• Critically evaluate landmark case law and policy debates shaping women's criminal justice jurisprudence and identify gaps in law and implementation.• Apply legal reasoning and research skills to propose law-based reforms, victim-centric justice models and gender-sensitive investigative and adjudicative practices.		
Course Outcomes: <p>On completion of the course, the learner will be able to:</p> <p>CO1. Describe the constitutional, statutory and international legal framework protecting women and identify the role of national institutions (Knowledge).</p> <p>CO2. Explain and distinguish between different categories of criminal offences against women (rape, sexual assault, trafficking, dowry-related offences, domestic violence, cyber offences) and the statutory provisions that govern them .</p> <p>CO3. Apply procedural rules to practical fact patterns and clinical case studies .</p> <p>CO4. Critically analyze landmark case law and judicial reasoning in women-related criminal jurisprudence and evaluate their impact on rights and remedies).</p> <p>CO5. Propose practical, law-based reforms and policy measures for gender-sensitive criminal justice delivery, policing and victim support</p> <p>CO6. Produce reasoned written outputs (case notes, policy briefs, moot problems) demonstrating legal research, statutory interpretation and persuasive legal argumentation</p>		
Course Contents		
Unit I	Context, Constitutional & International Framework	(10 Hours)
Position of women in India: historical & social context, Constitutional guarantees: equality (Articles), non-discrimination, directive principles relevant to gender justice, Major international instruments: CEDAW(<i>Convention on the Elimination of All Forms of Discrimination Against Women.</i>), UN conventions and their domestic significance, National institutions: National Commission for Women (NCW), State commissions — role & powers.		
Unit II	Sexual Offences: Law and Procedure	(10 Hours)

Definitions and scope: rape (including amended law), attempt to rape, custodial sexual offences, Protection of Children: POCSO Act — key offences, mandatory reporting, procedural safeguards, Sexual harassment at workplace — Vishakha guidelines, POSH (Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act) principles and remedies, Indecent representation, obscenity and public morality provisions.

Unit III	Domestic Violence, Dowry & Family-Related Offences	(10 Hours)
-----------------	---	-------------------

Domestic Violence Act — definitions, protection orders, maintenance and remedies, Dowry harassment and dowry death (IPC sections), cruelty by husband/relatives (Section 498A), Maintenance laws (Section 125 Cr.P.C., provisions under personal laws) and interplay with criminal remedies

Unit IV	Trafficking, Sexual Exploitation & Organized Crimes	(10 Hours)
----------------	--	-------------------

Trafficking in persons, forced prostitution, criminal gangs — relevant IPC sections and special statutes, Law on adoption, guardianship issues where relevant to protection of women & children, Role of NGOs, shelters, rehabilitation, and statutory schemes

Unit V	Contemporary & Technological Challenges	(10 Hours)
---------------	--	-------------------

Cyber-crimes against women: stalking, revenge porn, online harassment — IT Act provisions & evidentiary issues, Acid attacks, honour crimes, crimes in the name of custom/religion — special laws and sentencing trends, Victim protection schemes, witness protection, medical and forensic aspects (medico-legal examination).

Unit VI	Criminal Justice Responses, Case Law & Reforms	(10 Hours)
----------------	---	-------------------

Investigation & prosecution: police response, FIR, charge framing, role of public prosecutor, Landmark judgments (selected): landmark Supreme Court rulings shaping women's criminal jurisprudence (include case notes e.g., Vishakha; major rape/POCSO rulings — choose latest local jurisprudence), Gender-sensitive policing, speedy trials, alternate dispute resolution, restorative justice, law reform proposals and policy recommendations
